

Do you need a speaker who knows

SAFETY?

"I'D NEVER
LAUGHED AT A
SAFETY MEETING!"

Chad Hymas travels the world sharing his inspirational safety message with thousands in the safety industry. From corporate to supervisors to your frontline people, Chad illustrates the key principles to insure your people walk away with a belief and awareness to take personal responsibility for themselves and colleagues around them. **"Don't let experience be your worst enemy!"**

- How a **split-second decision** to skip a pre-op can change your life
- What happens with **dumb luck**
- Why **personal responsibility** is a matter of life and death
- How to keep **those around you** safe
- How to **make it home alive** every night
- **And more!**

At the age of 27, Chad's life changed instantly when he decided to take a short-cut at work. He was pronounced a quadriplegic, paralyzed from the chest down. Since that time Chad has shared his safety principles with thousands including Barrick Gold, Energy West, Bridger Coal, Pacificorp, Newmont Mining, Kennecott, Utah Power, Kinross, OCl and others.

I took a short-cut and my whole life changed ...

Without a doubt, your motivational safety talk is the best that I have heard in the past 29 years of my professional career!"

- Stephen Lambert, Barrick Goldstrike Mines, Inc.

"You added immense value to our annual MSHA safety training. I would highly recommend you to speak at any safety meeting or training. In fact, I already have!"

- Randy Tatton, Manager Safety and Health, Interwest Mining Company

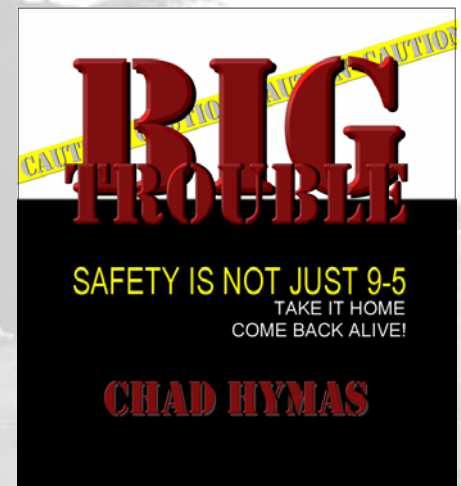

"You could have heard a pin drop during Chad's entire presentation. When does that ever happen in safety meetings? All eyes, ears and a couple of tears! Chad's inspirational safety message should be heard by everyone!"

- Ray Bridge, Safety Manager, Canyon Fuel Company

Make Chad's event come alive with his new pocketbook **"Big Trouble - Safety Is Not Just 9-5, Bring It Home Come Back Alive!"**

Your group will remember his words of insight and encouragement for months after your event. Take advantage of this incredible opportunity to make his message even more applicable to day-to-day experiences and challenges, as he shares more personal stories and examples.

The perfect pocket reference for companies that want safer workplaces and decreased LTA's!
